LET'S BATTLE

HTP Ecosystem for innovation

Key Elements

1. IT cluster accumulating an increasing number of IT professionals
2. Global Success stories
3. Open Platform to exchange ideas

The transformation of quantity into quality

25'000+
164
+3000

Belarusian Hi Tech Park (HTP) is one of the leading IT clusters in Central and Eastern Europe.

Today, 164 companies with more than 25,000 software engineers are HTP residents. About 3,000 new workplaces are created annually

Global Success Stories

People need to be inspired

MSQRD, a #1 app in dozen countries with world-class imaging technology for video, **was acquired by Facebook** in February 2016.

Mark Zuckerberg taking a break from coding to welcome the MSQRD team to Facebook!

Open Platform to exchange ideas

Innovations are born where ideas form new ideas

**IT communities, meetups,
hackathons, coworking centres**
